GREEN BAY STRIKERS COACHING

Coaching your child and his/her team is fun and rewarding! Coaching gives you the opportunity to teach skills, teamwork and sportsmanship while reaping the benefits of personal enjoyment and appreciation from your players. It's a great way to contribute to the community! In addition to all of the benefits you'll receive from coaching, we also offer a **\$10.00 discount off of the child's registration fee per team you coach.** It's our way of recognizing all of our coaches for their commitment of time and effort.

We invite everyone to give coaching a try. It doesn't matter if you haven't played or coached soccer before! We have an experienced resource team to help and assist you. In addition, we have a required training program that will prepare you for this important role.

Our program depends on volunteers like you to be successful. If you are willing to give it a try, please sign up at registration. Sign up on your own or with a friend – your children will automatically be on the same team.

TWO DEEP LEADERSHIP POLICY

To those who aren't familiar with this policy, it simply means that we need to have two unrelated adults (over 18) with the children at all times. This includes games, practices, parties, etc. For those of you who are husband and wife, or other related coaching teams, this may mean going over your schedule with the parents of your team to recruit someone who can be at each practice or game.

COACHES TRAINING

SAY National requires coaches' training. **All first year coaches MUST participate in formal training.** All other coaches MUST participate in training every other year.

We are excited about our training program that includes 45 minutes of general information and 3-45 minute breakout sessions. This enables any coach to take any of the sessions and get all of the information they need. Annual training is encouraged!

All coaches are required to complete online concussion training. The SAY policy and training links are available at www.saysoccer.org, under the tab "concussions" at the top of the home page. Please follow the SAY directions and complete either of the step 1 concussion training options. Keep your certificate of completion with you at all SAY events.

COACHES EQUIPMENT HANDOUT

The team rosters, schedules and equipment will be handed out to the coaches on April 22nd. Please contact us at info@gbstrikers.org if you haven't heard from your coach by May 1st.

PRACTICES AND GAME SCHEDULES

Practices are set up by the coaches and are normally 1-2 times a week before the season starts. Practices are held Monday thru Thursday only. No weekend practices. The coach may have a practice if only 1 game is scheduled during a week. Games are played on various nights Monday thru Thursday. Therefore, you don't always play on the same night each week.

SPORTSMANSHIP

Our number one priority is for the children to have fun while learning the game of soccer. Through family involvement, we hope to foster team spirit, sportsmanship, social development and a positive self-image. We want all players of all backgrounds, ages and abilities to have an equal opportunity to participate, excel and enjoy the game. We need your help to continue our tradition of respect and good sportsmanship.

Remember:

- Parents and coaches must be a good example to their players by showing respect and good sportsmanship toward their own team as well as the opposing team. Children are aware of how adults handle winning and losing.
- Encourage your child to be gracious in victory. Encourage them to turn defeat into victory by working towards improvement.
- Cheering should always concentrate on the positive. Laugh, talk and have fun with everyone from both teams. Remember, opponents are necessary friends. Without them your child could not participate. Applaud good plays by your team and by members of the opposing team. Be supporters of all of the children! Think about how any comments you make would affect your own child if they were directed to him/her.
- Any coach, parent or player who violates the spirit of our program by degrading any other coach, player, parent or referee, using foul language or otherwise depriving others from enjoying the game, will be suspended and/or expelled from the program. Please contact us if you see this behavior so we can take the appropriate action.

CARPOOLING

Each year we get requests to assign multiple friends to a team so their families can carpool. Our teams are selected using a blind draft based on the player's age and previous years ability rating which makes the teams evenly divided and adds to the enjoyment of the game for all. Therefore we can't assign children to the same team unless they are siblings or the children of the coaches.

NOISEMAKERS

In order for everyone involved to have the best soccer experience possible, we are asking everyone to refrain from using any artificial noisemakers when cheering for their team. Thank you for your cooperation.

PARKING/PETS

Please be aware of **NO PARKING ZONES.**

City ordinances state that **NO DOGS** are allowed in the parks where we play.

VIOLATIONS MAY RESULT IN CITATIONS.

WEATHER/GAME CANCELLATION

Games can be postponed and/or cancelled due to weather. The decision to cancel a game for ages 6-18 is made at the field at game time by the referee. For the 4 1/2 - 5 year olds where there no referees, the coaches will decide at the field, at game time whether the game should be cancelled. Only games cancelled for ages 12+ will be re-scheduled.

SOCCERFEST JULY 15th & 16th

The purpose of the Soccerfest is to give U-8 to U-12 players a chance to experience the fun and excitement of a tournament regardless of ability or record. Soccerfest will be held at Wilder Park, July 16th & 17th. The Soccerfest is great fun for the participants and has a special atmosphere of excitement and camaraderie for parents, families and friends. The Soccerfest consists of at least two games where participation and sportsmanship are emphasized.

ARNIE WOLFF SPORTS COMPLEX

We are excited to have the opportunity to work with the Green Bay Park and Recreation department to complete Green Bay's first soccer complex. The Arnie Wolff Sports Complex is being built on Humboldt Road on Green Bay's east side. We have been given the opportunity to put a concession stand on the complex and to use it to raise funds for the continual improvements to the future of Green Bay Strikers soccer. With your involvement, we can build a much needed complex for our favorite sport. Throughout the year we have opportunities for you to help impact this effort. Sign up for contributing time, skills, resources and/or donations. Please follow our efforts on our website: <http://arniewolffsc.weebly.com/>

SOCCER CAMP

Scott Haywood and his staff from Back of the Net Academy will be the instructors. This camp is for ages 4-16 and will be Tues June 13 thru Friday June 16 at Wilder Park. Camp registration forms can be obtained from your coach or on our website at www.gbstrikers.org.

ABOUT US

The Green Bay Strikers is the recreational youth soccer club for most of Green Bay's East Side. We provide the opportunity for boys and girls ages 4 1/2 to 18 to play soccer for fun. Last year over 1,375 children participated in our program. Our focus is building teamwork and self-esteem, having fun through positive approaches to coaching and guaranteed playing time regardless of skill level. The Green Bay Strikers is a volunteer, non-profit organization affiliated with SAY (Soccer Association for Youth). SAY is a national non-profit organization founded in 1967 in Cincinnati, Ohio. We are also part of the area group of Bay-Lakes SAY. Bay-Lakes is comprised of six area clubs that had over 4,500 children playing on over 350 teams last year. Every year, teams from all of these clubs join together in the older age groups to play in countywide competition.
